***"My tractor's
making
money
now!"***

"OF COURSE I knew all along that an idle tractor wasn't making money. But I didn't have the cash for the other machinery I needed to keep my tractor busy. That's why I went to the Royal Bank to see about those Farm Improvement Loans.

The Manager at the Royal quickly arranged the loan and I got the machinery I needed. That new equipment is paying off—and so is my tractor!"

Ask for a copy of this booklet. It tells all about farm improvement loans.

FARM IMPROVEMENT LOANS

can also be used for

- New foundation or breeding livestock.
- Construction, repair or alteration of any building on the farm.
- Farm electrification.
- Fences, drainage and other developments.
